You can now rebrand “Copywriting Money Machine” with the following:

- 1. YOUR Name**
- 2. YOUR URL**
- 3. YOUR profit link for “Writing Effective Sales Letter”**

Your profit link will ‘cookie’ your visitors with your clickbank nickname and make you instant commissions if they purchase Words Become Money “Writing Effective Sales Letter”.

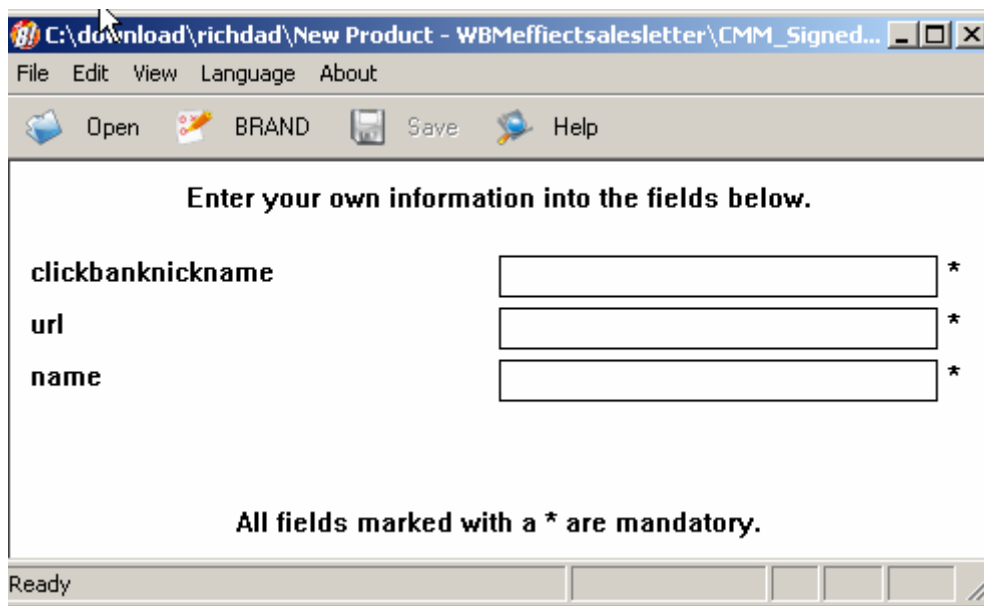

With just one single action...

YOU’ll be able to make mega commissions of 75% of any sales of Words Become Money “Writing Effective Sales Letter”.

Instructions:

To rebrand the ebook, **double-click PDFBrand.exe** and drag-n-drop the ebook, **CMM_Signed.pdf** on it.

Once PDFBrand.exe has processed and opened the interviews, you'll see a list of "tags" and empty fields as shown below.

The screenshot shows a window titled "C:\download\richdad\New Product - WBMeffectsalesletter\CMM_Signed...". The menu bar includes "File", "Edit", "View", "Language", and "About". The toolbar contains "Open", "BRAND", "Save", and "Help". The main area contains the text "Enter your own information into the fields below." followed by three input fields labeled "clickbanknickname", "url", and "name", each with an asterisk to its right. Below the fields is the text "All fields marked with a * are mandatory." The status bar at the bottom shows "Ready".

Next, you need to have a clickbank affiliate account. If not, you can sign up your clickbank account here! → [Click here to register for your Clickbank account.](#)

Simply enter the appropriate values into the fields right next to each tag:

clickbankname = Enter your ClickBank nickname only!

url = Enter Your Website URL

*(Important: Do **NOT** place 'http://www.' when you're customizing the URL tag, just put yourdomain.com for example)*

name = Enter Your Name

Once you've entered the above, **click the "Brand!" button**. The brander will then come up with a dialog box, asking you to automatically save the PDF under the name **'xxx_branded.pdf' in the same location as the original file**. **Click 'OK' to save the PDF, 'Cancel' if you want to save it under a different name or in a different location. Then upload the PDF to your web host and that's it!**
